KNAPP®-ADHESIVE PM+

- █ gap-filling for thick bonding joints
- █ low rise foam
- █ water resistant D4-DIN EN 204
- █ free from curing agents

KNAPP®-ADHESIVE PU+

- █ for thin binding joints
- █ for fine surfaces
- █ water resistant D4-DIN EN 204
- █ free from curing agents

Special price from € 6,90/piece

WELL-TRIED
█ fast curing
█ solvent-free

Article-No.	KNAPP®-ADHESIVE PM+ (Z010) PM+	KNAPP®-ADHESIVE PU+ (Z011) PU+
Application	Suitable for assembly and rough surfaces.	Wide range from furniture to window construction, suitable for fine surfaces.
Advantages	An easy to handle mono component polyurethane adhesive, gap-filling, water resistant, formaldehyde-free and meets DIN EN204 - D4.	An easy to handle mono component polyurethane adhesive free from curing agents and formaldehyde-free, water resistant meets DIN EN2017 - D4.
Application instructions	Apply on one side, it will foam during the curing process. Skinning time is about 7 minutes, functional strength after 20 min, curing time at approx. 24 hours, working temperature minimum +7°, moisture content of wood 8 - 18 %, adhesive testing is recommended.	Apply on one side, it will foam during the curing process. Skinning time is about 10 minutes, functional strength after 20 min, curing time at approx. 24 hours, working temperature minimum +7°, moisture content of wood 8 - 18 %, adhesive testing is recommended.
Suitable materials	Wood and building materials, many plastics, stone, ceramic, metal and KNAPP®-connectors, especially the TREPPO (2 or 3 cartridges are needed for 100 drillings).	Large range of wood materials, all types of plastic, stone, metal and all recommended KNAPP®-connectors.
Mounting	General application instructions with the technical and safety data sheets is available to download.

KNAPP®-ADHESIVE PU+ is recommended for:

KNAPP®-ADHESIVE PM+ is recommended for fixing wooden stair-treads on steel:

Pre-payment

The goods will be shipped as soon as the invoice amount is paid.

New customers

Payment terms for new customers are pre-payment.

Minimum quantities

If your order falls below a minimum quantity (i.e. smallest packaging unit), a low-quantity-surcharge will be applied. Shipping charges are covered by the customer via pre-payment or direct debit with no discount.

Delivery time By a calendar week

Delivery: Ex works Euratsfeld (AT)

Direct debit

The invoiced amount minus 3% skonto discount will be debited from your checking account within 8 business days from the invoice date. To set up a direct debit, please fill out and sign a „SEPA-Direct-Debit-Mandat“ form. You will receive this form along with the order confirmation. IMPORTANT: In „forms of payment“ mark the „recurring payment“ option, so the same can be applied to the future orders.

Invoice

Payable within 8 days with a 2 % skonto discount or 14 days with no discount.
